Izzie’s Biscuits Part One
(each page is a centerfold?)

PAGE 1 - IZZIE KNEADING DOUGH IN HER KITCHEN. STORE NAME: IZZIE’S BISCUITS
This is a story about Izzie Doodle, a *sweet* and friendly cat who owns a bakery where she specializes in making biscuits. She also sells yummy pies.

PAGE 2 - IZZIE SERVING CUSTOMERS
Everyone delights in Izzie’s delicious snacks. People find them so scrumptious, they come very often, and Izzie adores getting to know everyone that way.

PAGE 3 - MONTAGE OF IZZIE WORKING ALL DAY. SLEEPING IN HER APRON, ETC
Izzie loves baking, but there is just one problem: she works so much that she doesn’t ever take any time off for herself!

Izzie: “I love working so much that I don’t need any free time because I’m having fun at work!”

Indeed, sometimes Izzie even forgets what day it is. LOOKING CONFUSED AT A CALENDAR

PAGE 4 - FRITTEE ENTERING THE SHOP
One day somepurrdy unexpected comes into the bakery. It’s Izzie’s sister, Frittee, and she has something very important to ask Izzie. Izzie knows this is serious because her sister lives very far away, and though they talk online a lot, they don’t see each other much in feline.

Frittee: “Izzie, you make some of the best biscuits and pies I’ve ever had, and I need your help with a top secret mission. I need you to make food for a big party of people, and I only trust you to do it. I’ll be back tonight. This is very important. I’m counting on you!”

PAGE 5 - IMAGES OF FRITTEE AND IZZIE GROWING UP TOGETHER (THEY ARE KITTENS)
Izzie loves her sister very much and always wants to make her proud.

Izzie: “Wow, my amazing and empowered big sis is asking for my help! And she likes my snacks! What an honor! I’ve got to *treat* this seriously!“

Izzie: “Who could this important mission be for? A president? A prime minister? A premier?”
THOUGHT BUBBLES WITH FAMOUS PPL TBD

She sets off baking her fabulous biscuits and pies.

Izzie: “Oh no! My snacks were so popular this morning that I’m out of all the ingredients I need. No sugar, so salt, no flour. What to do?”

Well, Izzie has such a good relationship with everyone who loves her biscuits that she decides perhaps if she asks everyone for help, she can accomplish her dear sister’s mission.

PAGE 7 - OUTSIDE WIZZY’S TREE, INCL LIBRARY/MAILBOX
Her first stop is to Wizzy’s, her owl friend who is always first at the shop. Wizzy is always there first because she goes just before her bedtime, which is before everyone else’s wake up time. Also, Wizzy lives the closest, in the tree just next to the bakery.

PAGE 8 - WIZZY’S LIBRARY OUT BACK A LA LEAVE A BOOK/TAKE A BOOK
Izzie finds Wizzy studying a tome. Wizzy is very booksmart and very wise.

Izzie: “Hi Wizzy! *Hoo* are you studying about today?”

Wizzy: “Just reviewing the life works of some of my favorite *hoo*-mans. You know *Hoo*-bert *Hoo*ver, *Who’s Afraid of Virginia Wolf, Horton Hears a Who.*”

Izzie: “*Hoooh*. All wonderful subjects, indeed. Wizzy, might I trouble you by asking a favor?”

Wizzy: “Why sure, Izzie! Anything for my favorite *whoo*pie pie maker!”

Izzie: “I have a very important project, but I need some sugar. Do you have some I can borrow?”

Wizzy points with a wink: “Over there under my poster of *The Whiz.”*

Izzie: “Thank you, Wizzy! Enjoy your research!”

PAGE 9 - BIZZY’S GARDEN
Next Izzie goes to Bizzy’s. Bizzy is a master of all things floral and is tending to her flower garden. She has so many that she has to be very industrious in order to nurture them all.

Izzie: “Hi Bizzy, what’s the buzz?”

Bizzy: “Hi Izzie. Don’t mind me. Just needing to be very zzzzzzippy with growing my zzzzzinnias and such.”

Izzie: “I see they are bee-guilingly abloom! Since you’re short on time, I’ll be quick. Bizzy, do you have any flour to spare?”

Bizzy: “I’ve got tons of flowers, Izzie, what kind?

Izzie: “Oh no, not *flowers*, though they all look absolutely bee-utiful! I mean *flour* for baking.”

Bizzy: “I shall take that sweet kindness and reciprocate with this pouch of *flour.* But why do you need it?”

Izzie: “Well, I have a top secret mission to take care of for my sister!”

Bizzy: “For your big sister, Frittee? That’s exciting! Here you go, *honey*! (I mean you are honey. This is flour, not honey.)”

Izzie: “Got it, Bizzy, thank you! I’ll be zeeing you! Don’t forget to take a break now and then!”

Bizzy: “You too, Izzzz.”

PAGE 10 - DIZZY PLOPS DOWN, ALL 8 LEGS SPLAYED IN ALL DIRECTIONS ON A LEAF
Next, Izzie finds Dizzy lying down. She has just finished spinning an intricate and exquisite web. Though she spins a mean web, afterwards she usually suffers from a spell of vertigo.

Dizzy: “Hi Izzie, you need some ingredients to make more biscuits?”

Izzie: “Why, yes, Dizzy. How did you know? And also, are you ok?”

Dizzy: “Yes I’m fine. In fact after I lay down for a while I’m going to take my new scooter out for a spin. There’s some baking powder in the cupboard. Bizzy and Wizzy told me you had a big project.”

Izzie: “Thank you, Dizzy! And by the web, that-” she points to Dizzy’s opus, “is an architectural feat!”

Dizzy: “Oh I didn’t use my feet, I used my abs.”

Izzie giggles: “Yes, right. Keep it up!”

Dizzy: “Yes I’m going to, until I catch some dinner.”

PAGE 11 - ALONG THE WAY/ON A PATH WITH FOLIAGE
Izzie smiles to herself: “I should have known that after going to Wizzy’s and Bizzy’s that the news would spread.”

Lizzy, a chameleon and accomplished actress, lazes on a tree branch. She surprises Izzie, who can never seem to spot her.

Lizzy pointing: “Eggs for you, Izzie!”

Izzie: “Thank you, Lizzy. And may I commend you on your eggcellent work delivering that sonnet last night!”

Lizzy: “Ssssweet sssweet, Izzie. I thank you for your sssssupport as I continue on with my sssssskillssssss in Shakesssssspearean English”

PAGE 12 - IN THE THICKET
Grizzy, a skeptical grizzly bear who refused to try Izzie’s biscuits for a month, brings her some salt. Grizzy loves Izzie’s biscuits and snacks now.

Grizzy: “Now I’m not being salty, but I do wish people wouldn’t try to bother me while I’m hibernating. It’s not that I don’t like them, but - “

Izzie completes the thought: ‘they really should take your sleep schedule with a grain of salt!”

Grizzy: “Izzie Doodle, you are just simply grrrreat.”

Izzie: “I like a good long nap myself. You’ll never catch me criticizing anyone for getting in some winks”

They wink at eac other.

PAGE 13 - AT THE FARM
Frizzy shows up with some cream. Frizzy was always ashamed of her hair, until Izzie praised her for IT. Now Frizzy is one of Izzie’s biggest supporters, and she always wears her hair natural. She especially likes accessorizing with a pick.

Frizzy: “Hey girl, what’s the haps? Got some cream for you”

Izzie: “Frizzy, you so smooth. Don’t ever change, ya dig? And that sweater is just poppin!”

Frizzy: “I know it! 100% wool. And I won’t change if you remember to keep the change, you feel me?”

Frizzy was always overpaying for her bakery treats.

Izzie: “Frizzy, your gratuities may be gratuitous, but I am grat-ful nonetheless.”

PAGE 14 - ON THE WAY BACK
Lastly, Tizzy brings Izzie both butter and milk.

Izzie: “Wow, Tizzy, thank you so much! I know you usually have a lot of things on your plate, and get overwhelmed and go into overdrive, so I really appreciate you making the time for me.”

This makes Tizzy, a very humble mouse, pause for a moment and blush.

Tizzy: “Yes, I suppose it’s always good to pause and take a breather.”

Izzie: “Agreed”.

They curl up together for a bite-sized nap.

PAGE 15 - IZZIE OPENS HER DOOR
When Izzie makes it back to her bakery with all the ingredients, she is surprised to see that everyone from the community is there waiting for her, dressed in party hats.

All: “Surprise! Happy Birthday!”

Frittee: “I invited everyone to celebrate your birthday!”

PAGE 16 - INSIDE THE DECORATED PARTY ROOM
Izzie: “Oh my goodness, I was so caught up with work that I forgot today is my birthday!”

Frittee: “Yes, I knew that would be the case, so I planned this party for you, and told all your friends! And guess what we’re going to do for your birthday? Help you bake! Because I know you love baking, and it will be so much fun to do it with your friends!”

Izzie: “And my favorite big sister!”

They hug nice and snug, purrrrring and allogrooming.

Everyone else joins for a big cross-species cuddle puddle.

The End.
